of any **Claim** or claim, loss, **Occurrence**, or circumstance; and

The arbitration tribunal shall, unless the parties agree otherwise, consist of persons (including those who have retired) with not less than ten years' experience of international insurance or reinsurance business, having been engaged in such business or advising such business in a professional capacity.

Unless the parties agree upon a single arbitrator, within thirty days of one receiving a written request from the other for arbitration, the party requesting arbitration ("the **Claimant**") shall appoint one arbitrator ("the **First Arbitrator**") and shall give written notice thereof to the other party ("the **Respondent**"). Within thirty days of receiving such notice, the **Respondent** shall appoint another arbitrator ("the **Second Arbitrator**") and give written notice to the **Claimant**, failing which the **Claimant** may apply to the **Appointer** named below to appoint the **Second Arbitrator**.

Once appointed, the **First** and **Second Arbitrators** shall within thirty days of the appointment of the **Second Arbitrator** appoint a third arbitrator ("the **Third Arbitrator**"). Should they fail to do so, then either of them or the parties may apply to the **Appointer** for the appointment of the **Third Arbitrator**. However appointed the **Third Arbitrator** shall be chairman.

Upon acceptance of the appointment by the **Third Arbitrator** the tribunal shall be constituted. The three arbitrators shall decide by majority. If a majority cannot be achieved the decision of the **Third Arbitrator** shall prevail.

If an arbitrator, subsequent to his appointment, is unwilling or unable to act, a new arbitrator shall be appointed to replace him by the procedure set out above.

Unless otherwise extended or ordered by the tribunal within fifteen days of the appointment of the **Third Arbitrator**, each party shall submit its case to the tribunal within forty-five days of the appointment of the **Third Arbitrator**.

The tribunal shall not be bound by the formal rules of evidence. The tribunal shall have power to fix all procedural rules relating to the conduct of the arbitration.

The tribunal shall within sixty days of reaching its decision, issue to the parties its written and reasoned award. The award shall be final and binding on the parties who agree to carry out the same. If either of the parties should fail to carry out the award, the other may apply for its enforcement to a court of competent jurisdiction in any territory in which the party in default is domiciled or has assets or carries on business.

All costs of the arbitration shall be at the discretion of the tribunal who may direct to and by whom and in what manner they shall be paid.

The **Appointer** shall be the Chairman of ARIAS UK.

The seat of the arbitration shall be a City within the **United Kingdom**, as agreed by the parties. In the absence of such agreement, the seat shall be determined by the **Third Arbitrator**.

This clause remains valid, should the **Policy** be void.

- (b) immediately, if the **Premium** has not been paid or if there has been a default under an instalment or linked credit agreement.

Notwithstanding any other provisions contained herein to the contrary, in the event of the **Insured** requesting cancellation of this **Policy**, no refund of premium shall be allowed.

(5) Contracts (Rights of Third Parties) Act

A person or company who is not a party to this **Policy** has no rights under the Contracts (Rights of Third Parties) Act 1999 in respect of this **Policy**.

This Condition does not affect any right or remedy which exists or is available notwithstanding such Act

The **Insurer** may at any time pay:

- (a) the **Limit of Indemnity**; or
- (b) the **Sum Insured**; or
- (c) a smaller amount for which a **Claim** or claim can be settled after deduction of any sum already paid.

The Insurer will not be liable for any further payment except for costs and expenses incurred prior to the payment of a **Claim** or claim or with the **Insurer's** consent.

(7) Dual Coverage

In the event that more than one Section of this **Policy** provides an indemnity for the same loss, the **Insured** must select the Section under which it wishes to claim for such loss. Upon such selection having been made, the **Insured** shall not be entitled to claim under any other Section, in respect of the loss, regardless.

(8) Fraud

If a claim under this **Policy** is in any respect fraudulent or if any fraudulent means or devices are used by the **Insured** or anyone acting on the **Insured's** behalf to obtain any benefit under this **Policy** or if any **Damage** is occasioned by the wilful act or with the connivance of the **Insured**, all benefit under this **Policy** is forfeited.

(9) Governing Law

Any dispute concerning the interpretation of this **Policy** shall be governed by and construed in accordance with the law of England and Wales.

The **Insured** must advise **TULaC** immediately if:

- (a) there is any alternation in the risk whereby the risk of injury, liability or **Damage** is increased; or
- (b) there is any alteration to the information declared in the **Proposal**; or
- (c) the **Business** is wound up or carried on by a liquidator or receiver or permanently discontinued; or
- (d) the **Insured's** interest ceases other than by will or operation of the law.

(11) Other Insurance

If in respect of any claim under this **Policy**, there is any other insurance policy or indemnity in favour of the **Insured** in force relative to such claim, or there would be but for the existence of this **Policy**, the liability of the **Insurer** shall be limited to the amount in excess of such other policy or indemnity.

(12) Policy Voidable

Without prejudice to any other rights of the **Insurer** available at law, this **Policy** shall be avoided if:

- (a) the **Business** is wound up or conducted by a liquidator or receiver or permanently discontinued; or
- (b) the **Insured's** interest ceases otherwise than by death; or
- (c) the risk is materially increased, unless agreed by the **Insurer** in writing.

(13) Premium adjustment

Applicable to Sections A and B

If any part of the **Premium** or renewal premium is based on estimates provided by the **Insured**, the **Insured** shall keep an accurate record containing all relevant particulars and shall allow the **Insurer** to inspect such record. The **Insured** shall, within one month after the expiry of the **Policy Period**, provide such information as the **Insurer** may require. The **Premium** shall then be adjusted and the difference paid by or allowed to the **Insured**.

Such adjustment shall be subject to:

- (a) any Section minimum premium chargeable for the risk being retained by the **Insurer**; and
- (b) a maximum return premium of 25% (twenty five percent) of the adjustable portion of the premium for each Section

Provided that there shall be no refund of premium on adjustment following cancellation of this insurance under the terms of General Condition 4.

(14) Reasonable Precaution

The **Insured** shall:

- (a) take all reasonable precautions to prevent or diminish **Bodily Injury** or **Damage** or cease any activity which may give rise to liability under this **Policy** and to maintain all premises, property, plant and equipment and everything used in connection with the **Business** in proper repair; and
- (b) exercise care in the selection and supervision of **Employees**; and
- (c) as soon as reasonably practicable after discovery, cause any defect or danger to be

made good or remedied and in the interim take all additional precautions as may be required with effect from the date of the event, if this occurs after the commencement of the **Policy Period**.

(15) Related Claims or Single Claims

If notice of a **Claim** or claim or circumstance is given as required by this **Policy**, then any subsequent **Claim** or claim alleging, arising out of, based upon or attributable to the cause, facts, error, act or omission alleged in that **Claim** or claim, or as described in that circumstance, shall be deemed to have been first made at the same time as that **Claim** or claim was first made and reported to the **Insurer**, and shall constitute one claim under this **Policy**, for the purposes of the **Limit of Indemnity**, the **Sum Insured** and the **Excess**.

(16) Subrogation Rights

Anyone making a claim under this **Policy** must, at the **Insurer's** request and expense, do everything the **Insurer** reasonably requires to:

- (a) enforce a right or remedy; or
- (b) obtain relief or indemnity

from other parties to which the **Insurer** shall become entitled or subrogated because of payment for or making good, **Damage**, accident or injury, or settling any claim.

The **Insurer** may require the **Insured** to carry out such actions before or after the **Insurer** makes any admission of or payment of a claim.

(17) Subrogation Waiver

The **Insurer** agrees to waive any rights, remedies or relief to which it might become entitled against any parent or subsidiary company of the **Insured** or any fellow subsidiary where the **Insured** is also a subsidiary as defined by current legislation.

(18) Sums Insured

All the **Sums Insured**, **Limits of Indemnity** and any other restrictions on the amount of the **Insurer's** liability stated in this **Policy** will apply as maximum limits to the **Insurer's** liability irrespective of the number of persons entitled to indemnity under this **Policy**.

For the purposes of the **Sums Insured**, **Limits of Indemnity** and any other restrictions on the amount of the **Insurer's** liability the **Insured** and all other persons entitled to indemnity under this **Policy** shall be treated as a joint policyholder collectively, so that there will be only a single contract of insurance between the **Insurer** as one party and the **Insured** and all other persons entitled to indemnity as the other party.

(19) Policy Modification

This **Policy** can be changed only by Endorsement agreed by the **Insurer** or **TULaC** on the one hand and the **Insured** on the other hand.

Subjectivities may only be removed by written confirmation from the **Insurer** or **TULaC** stating that the subjectivities no longer apply.

Notice to, or knowledge possessed, by any agent or other person will not:

- (a) create a waiver, or change any part of this **Policy**; or
- (b) prevent the **Insurer** from asserting any rights under the provisions of the **Policy**.

(20) Titles and Headings

Titles and headings are descriptive, and are inserted solely for convenience of reference, and shall not be deemed to limit or affect the provisions to which they relate in any way.

(21) Conflict of Conditions

In the event of any conflict between the General Definitions, the General Exclusions, the General Conditions and the General Conditions Precedent, and any Section specific Definitions, Exclusions, Conditions Precedent or Conditions, the Section specific provisions shall take priority.

Basis of Claims Settlement

(1) Indemnity

In respect of accidental **Damage** to **Stock** or personal effects, the amount payable shall be the value of the **Property Insured** at the time of its loss or the amount of the accidental **Damage** or at the **Insurer's** option, the reinstatement or replacement of such property or any part of it.

(2) Reinstatement

In respect of accidental **Damage** to **Property Insured** other than **Stock** or personal effects, the following Basis shall apply:

The amount payable shall be the cost of the **Reinstatement** of the property suffering from the accidental **Damage**.

For this purpose **Reinstatement** means;

- (a) the rebuilding or replacement of property suffering from the accidental **Damage** which, provided the liability of the **Insurer** is not

increased, may be carried out:

- (i) in any manner suitable to the requirements of the **Insured**; or
 - (ii) upon another site; or
- (b) the repair or restoration of property;

in either case to a condition equivalent to, or substantially the same as, but not better or more extensive than, its condition when new.

Provided that:

- (1) the liability of the **Insurer** for the repair or restoration of property suffering from the accidental **Damage** in part only, shall not exceed the amount which would have been payable had such property been wholly lost; and
- (2) each item insured is declared to be separately subject to the following Condition of Average (Underinsurance):

If at the time of **Reinstatement** the sum representing 85% (eighty five percent) of the cost which would have been incurred in reinstating the whole of the property covered by any item subject to this Basis exceeds its **Sum Insured**, the liability of the **Insurer** shall not exceed that proportion of the amount of the **Damage** which the said **Sum Insured** shall bear to the sum representing the total cost of reinstating the whole of such property at that time; and

- (3) no payment beyond the amount which would have been payable in the absence of this Basis shall be made:

- (a) unless **Reinstatement** commences and proceeds without unreasonable delay; and
- (b) until the cost of **Reinstatement** shall have been actually incurred; and
- (c) if the **Property Insured** at the time of its accidental **Damage** shall be insured by any other insurance effected by or on behalf of the **Insured** which is not upon the same basis; and

- (4) all the terms and conditions of this Section shall apply:

- (a) in respect of any claim payable under the provisions of this Basis except insofar as they are varied hereby; and
- (b) where claims are payable as if this Basis had not been incorporated including any Condition of Average (Underinsurance).

(3) Day One Reinstatement Clause (Non-adjustable)

The **Sums Insured** under this Basis will be shown in an endorsement attaching to this **Policy** and relating to this Section. Each such **Sum Insured** will be marked "DV".

Declared Value shall mean the **Insured's** assessment of the cost of reinstatement of the **Property Insured**, arrived at in accordance with paragraph (a) of Basis of Claims Settlement (2) Reinstatement, at the level of costs applying at the inception of the **Policy Period** (ignoring inflationary factors which may operate subsequently), together with in so far as the insurance by the item provides, due allowance for costs in respect of:

- (i) European Union legislation and Public Authorities; and
 - (ii) architects, surveyors, legal and other fees; and
 - (iii) Debris Removal - other than **Stock**,
- (a) The **Insured** having stated in writing the **Declared Value** for each Item to which this Clause applies, the premium has been calculated accordingly.
- (b) At the inception of each **Policy Period**, the **Insured** shall notify the **Insurer** of the **Declared Value** of the **Property Insured** by each of the said Items.

In the absence of such declaration, the last amount declared by the **Insured** shall be taken as the **Declared Value** for the ensuing **Policy Period**.

Provided that:

- (i) the liability of the **Insurer** for the repair or restoration of property damaged in part only, shall not exceed the amount which would have been payable had such property been wholly lost; and
- (ii) each Item insured is declared to be separately subject to the following Condition of Average (Underinsurance):

If at the time of accidental **Damage**, the **Declared Value** of the property covered by such Item is less than the cost of reinstatement as used in this Clause at the inception of the **Policy Period**, then the **Insurer's** liability for any accidental **Damage** shall be limited to that proportion which the **Declared Value** bears to the cost of reinstatement; and

- (iii) no payment beyond the amount which would have been payable in the absence of this Basis shall be made:

- (a) unless reinstatement as used in this Clause commences and proceeds without unreasonable delay; and
- (b) until the cost of reinstatement as used in this Clause shall have been actually incurred; and
- (c) if the **Property Insured** at the time of its accidental **Damage** shall be insured by any other insurance effected by or on behalf of the **Insured** which is not upon the same Basis; and
- (iv) all the terms and Conditions of this Section shall apply:
 - (a) in respect of any claim payable under the provisions of this Basis except insofar as they are varied hereby; and
 - (b) where claims are payable as if this Basis had not been incorporated including any Condition of Average (Underinsurance) except that the **Sums Insured** shall be limited to 100% (one hundred percent) of the **Declared Values**.

Section Extensions

The **Insurer** hereby agrees, subject to the terms and conditions of this **Policy** (unless expressed to the contrary in this Section) to provide the following Extensions of cover. For the avoidance of doubt, these Section Extensions do not increase any **Sum Insured** or any **Limit of Indemnity**, or the **Insurer's** maximum liability under this **Policy**. (2) Automatic Reinstatement

In the absence of written notice by the **Insurer** or the **Insured** to the contrary, any **Sums Insured** under this Section shall not be reduced by the amount of loss and in return the **Insured** undertakes to pay the appropriate extra premium, at a rate to be agreed, on the amount of the loss from the date thereof.

(3) Breakdown of Electronic Business Equipment and Computers

The insurance under this Section extends to include accidental **Damage** to any item of **Electronic Business Equipment and Computers** as a result of its **Breakdown** at the **Premises**.

The insurance under each Item on **Buildings** and **General Contents** extends to include:

- (b) the **Insured** shall advise the **Insurer**:
 - (i) as soon as practicable in respect of any such alterations, additions and improvements; and
 - (ii) as soon as practicable and in any event within 90 (ninety) days, of any such newly acquired and / or newly occupied **Buildings**;

The **Insured** will pay the appropriate additional premium required from inception of such additional cover, and amounts so declared shall be added by endorsement to the **Sum Insured** of the relative Item, whereupon these provisions shall be fully reinstated.

(5) Contract Price

In respect only of goods sold but not delivered, for which the **Insured** is responsible, subject to a sale

contract which, following accidental **Damage**, is cancelled by reason of its conditions wholly, or to the extent of the accidental **Damage**, the liability of the **Insurer** will be based on the contract price.

For the purpose of this Section the value of all goods to which this Section Extension could apply in the event of accidental **Damage** shall also be ascertained on this basis.

(6) Customers Goods

The insurance by this Section extends to include accidental **Damage** to customer's property for which the **Insured** has agreed to accept responsibility.

Provided that all such property:

- (a) shall be included in the **Sum Insured** in respect of **Stock**; and
- (b) is not more specifically insured elsewhere.

(7) Damage to Surfaces

The insurance by this Section is extended to include the costs of restoration of the surfaces of car parks, yards, roadways, landscaped gardens and similar surfaces adjacent to the **Property Insured** for which the **Insured** is responsible, arising out of accidental **Damage** to the **Property Insured** as insured by this Section.

The **Insurer** shall not indemnify the **Insured** for any costs or expenses:

- (i) incurred in removing debris except from the **Premises** where accidental **Damage** occurred and the area immediately adjacent thereto; or
- (ii) arising from **Pollution** of property not insured by this Section.

(9) Designation

For the purpose of determining, where necessary, the Item heading under which any property is insured, the **Insurer** agrees to accept the designation under which such property has been entered in the **Insured's** books.

- other insurance companies about other insurance policies you may have;
- Employers' Liability Tracing Office, Tracing Services Limited, other tracing bodies and the Financial Services Authority and any body which supersedes it for the purpose of assisting individuals (with claims arising out of their course of employment in the United Kingdom for employers carrying on, or who carried on, business in the United Kingdom) to identify an insurer or insurers that provided employers' liability insurance;
- the police, other insurance companies, fraud reference agencies and other representative bodies in relation to

the prevention and detection of fraudulent claims or as part of our money laundering checks.

We work with the police, other insurance companies, fraud reference and detection agencies and other representative bodies to prevent and detect fraudulent or exaggerated claims. As part of this we will share information about your claims with providers of software designed to assist in the detection of fraudulent claims. We may also use commercially available databases to prevent money laundering.

Complaints Procedure

Our Service to You

Our goal is to give excellent service to all our customers. We take all complaints we receive seriously and aim to resolve all our customers' problems promptly. To ensure that we provide the kind of service you expect we welcome your feedback.

We will record and analyse your comments to make sure we continually improve the service we offer.

What happens if you complain to us?

- (A) We will acknowledge your complaint within 2 working days of receipt.
- (B) We may refer your complaint to your insurance adviser or ACE European Group Limited, depending on the circumstances of the complaint, who will handle your complaint in accordance with their complaints procedure. However, we will advise you when this occurs.
- (C) We aim to resolve complaints within 5 working days.
- (D) Once an assessment and full investigation of your concern has been made we will respond with a decision.

Most of our customers' concerns can be resolved quickly, but occasionally more detailed enquiries are needed. If this is likely, we will contact you with an update and give you an expected date of response. This will not be beyond 28 working days from when you first made your complaint.

If you remain unhappy with the decision you receive or we haven't dealt with the issue within 56 days you may be able to refer the matter to the Financial Ombudsman Service (FOS). The Financial Ombudsman Service will become involved if you are an eligible complainant as defined by the rules of the Financial Conduct Authority.

Whilst we and the **Insurers** are bound by the decision of the FOS, you are not. Following the complaints procedure does not affect your right to take legal action.
