The Report will identify the regulations and any relevant guidance or any code of practice that apply.

In this event the Report will fully describe the scope of the Inspection. In the event that the Plant or part of a Plant cannot be located or is not made available by **you** for Inspection, the Report will indicate that the Plant or the relevant part of the Plant could not be inspected and will give the reason for this.

3 Our Obligations

- 3.1 Unless otherwise agreed, **we** will provide the Inspection Service within Normal Working Hours.

- 3.3 **We** will produce the Report within 14 days following completion of an Inspection of the Plant, other than in circumstances where an item is judged to give rise to immediate danger. In this event an on site report will be issued prior to leaving site.

Please also see Annex 3 for additional information from **our** website www.zurich.co.uk/engineering/inspectioncontract

- 3.4 **We** will notify **you** in writing within 14 days of any abortive attempts to arrange an Inspection.

- 3.5 **We** will comply with **your** safe systems of work as notified by **you**. **We** reserve the right not to carry out an Inspection if, in its absolute discretion, to do so would pose an unacceptable risk to the health, safety or welfare of either **us**, **you** or other person.

Please also see Annex 4 for additional information from **our** website www.zurich.co.uk/engineering/inspectioncontract

4 Contract Price

- 4.1 In addition to specified Mid Term Adjustments **you** agree that **we** will adjust the Contract Price at the end of the Term to take into account:
- 4.1.1 any Plant added to or deleted from the Schedule;
 - 4.1.2 any changes to the Inspection Interval(s) stated in the Schedule;
 - 4.1.3 any charges identified in section 5 of the Contract;
 - 4.1.4 in the case of any activities charged on a time spent basis, the actual time spent data available from either time spent reports or on-site time sheets, as agreed; and/or

- 4.4 Unless otherwise agreed in writing, prices quoted to **you** are shown in Sterling exclusive of Value Added Tax (or any other similar tax or duty levied by any Government or other Authority) on the value of the Services supplied. Any such taxes or duties will be payable by **you** in addition to the prices quoted.
- 4.5 Where **we** have reached agreement to commence Inspections for a new customer, the quotation offered will have been calculated on a Schedule of Plant provided. If that Schedule is not accurate then the amount, size or capacity of Plant inspected will not tally with the Schedule provided. As such the initial fee would be a deposit, adjustable dependant on Inspections having taken place in reality. If the amount of variation between quotation Schedule and reality is substantial, **we** would wish to negotiate or renegotiate the fee required. This could either be at Commencement or part way through an existing relationship.

5 Your Obligations

- 5.1 **You** will pay **us** the Contract Price at the start of the Term or as otherwise agreed in writing between the parties.
- 5.2 Where the Contract Price is adjusted in accordance with Clause 4, **you** will pay to **us** the difference between the Contract Price and the adjusted Contract Price.

 - 5.3.6 **you** request duplicate copies of Inspection reports.
- 5.4 **You** undertake to renew the Contract at the end of the Term for the Specified Period where:
- 5.4.1 **you** are entitled to a Discount Rate; and/or
 - 5.4.2 **we** agree to a Maximum Contract Price; and **you** agree that **we** (without prejudice to **our** rights under clause 9) will be under no obligation to accept **your** renewal request. In the event that **you** terminate this Contract in breach of **your** obligations under this clause 5.3, **we** (without prejudice to **our** rights under clause 10) will be entitled to recover any amounts that **we** would have been paid had **you** not had the benefit of the provisions of this sub-clause.
- 5.5 **You** will ensure that all Plant that requires Inspection is included in the Schedule. In the event of any errors or omissions in the Schedule, **you** will notify **us** in writing, in a reasonable time.
- 5.6 To ensure that **we** provide the appropriate service, **you** will notify **us** if any Plant is being operated outside the scope of usual operating conditions ('Non-Standard Operating Condition').

- 5.13 Before the beginning of each Inspection, **you** will provide **us** with full information concerning any modification to the Plant that has been made since the last Inspection.
- 5.14 Notwithstanding **our** obligations under clause 3.2, it is **your** legal duty under any relevant statutory regulations to ensure that Plant is inspected at the prescribed Inspection Interval(s). It is therefore recommended that **you** establish a system to monitor Inspection Intervals in order to ensure compliance with the regulations and ensure that **we** are notified in advance of the Inspection dates required, should this be necessary.

You must notify **us** as soon as possible during the period of insurance if there is any change in circumstances or to the material facts previously disclosed by **you** to **us** or stated as material facts by **us** to **you** which increases the risk of accident, injury, loss, damage or liability.

Upon notification of any such change **we** will be entitled to vary the premium and terms for the rest of the period of insurance. If the changes make the risk unacceptable to **us** then **we** are under no obligation to agree to make them and may no longer be able to provide **you** with cover.

Provided always that if the person concerned or **you** acting on their behalf makes a careless misrepresentation of fact **we** may invoke the remedies available to **us** under this condition as against that particular person as if a separate insurance contract had been issued to them leaving the remainder of the policy unaffected.
